Matt is up on top! Sim is  
not. "Get up!" yells Matt.

Tam is on top as well!  
Sim cannot get up.

# JUMPING JACK GAME

This is a game for two players. Each player has three counters, each set a different color. Players choose to be Red or Blue and place one counter on each of their colors. Players take turns to move a counter by sliding it into an adjacent space or by jumping over their opponent's counter into an empty space. When a player lands on a word, he/she must read the word aloud. The winner is the first player to get all three of his/her counters in a straight line.
